About the Event

In the past 6 editions Bangladesh Wood has established itself as the GO TO show for reaching out to the Bangladesh wood and woodworking sector. Organized as a focused technology tradeshow for the furniture sector of the country Bangladesh WOOD has been reflecting the growth of the sector

The objective of the Expo is to provide the professionals an opportunity to explore the expertise available, to improve the productivity in an economical manner. The show has participation from the leading technology, tools and accessories suppliers from both within Bangladesh as well as from overseas.

Visited by the members of leading trade associations, the show attracts business profile visitors, incorporating buyers for wood working machinery, architects, saw mill companies, plywood, timber, importers, interior designers, builders and developers, contractors, manufacturers, and dealers and distributors.

The objective of the Expo is to bring global technology closer to the doorsteps of the end user.

Why Bangladesh?

Bangladesh is emerging as manufacturing hub of quality and international quality furniture. The domestic furniture market is also growing at a brisk pace of around 20 per cent a year as their designs match the needs of the local consumers whose disposal income is increasing the demand and market size. More than 3,000 manufacturers are currently working in this sector. Over 2 million people are employed in this industry. Relocation of Chinese Factories is resulting in size of the sector growing and becoming international.
